Kindness of strangers

Brooklyn: Thanks to good samaritan Nina Mickens, who found a cell phone on the train. She called me, seeing my phone number on the phone caller list. I called the owner of the phone to notify him and he joyously went to retrieve his lost phone at Mickens' job. The world is a better place because of special people like you, Nina! Hoping Nina's good deed will inspire others to do the same. G-d rewards people when they do good deeds. I hope Nina, if you ever lose anything during your lifetime, a kindhearted person like you, will come to your rescue!
